(b) Insofar as applicable, the benefits of the Act entitled "An Act to provide compensation for employees of the United States suffering injuries while in the performance of their duties, and for other purposes," approved September 7, 1916, as amended, shall extend to persons given employment under the provisions of this title, including the employees of the committees and associations referred to in subsection (c) of this section and the members of such committees. ## Crop Insurance

Sec. 508. To carry out the purposes of this title the Corporation is authorized and empowered--

(a) (1) Commencing with the wheat, cotton, and flax crops planted for harvest in 1945, to insure, upon such terms and conditions not inconsistent with the provisions of this title as it may determine,

producers of wheat, cotton, and flax against loss in yields due to unavoidable causes, including drought, flood, hail, wind, frost, winter-kill, lightning, fire, excessive rain, snow, wildlife, hurricane, tornado, insect infestation, plant disease, and such other unavoidable causes as may be determined by the Board. Such insurance shall cover a percentage to be determined by the Board not in excess of 75 per centum of the recorded or appraised average yield of such commodities on the insured farm for a representative period subject to such adjustments as the Board may prescribe to the end that the average yields fixed for farms in the same area, which are subject to the same conditions, may be fair and just. Such insurance shall not cover losses due to the neglect or malfeasance of the producer, or to the failure of the producer to reseed to the same crop in areas and under circumstances where it is customary to so reseed, or to the failure of the producer to follow established good farming practices. Insurance shall not be provided in any county unless written applications therefor are filed covering at least fifty farms or one-third of the farms normally producing the agricultural commodities authorized to be insured, except that insurance may be provided for producers on farms situated in a local producing area bordering on a county with a crop-insurance program. The Board may limit insurance in any county or area, or on any farm, on the basis of the insurance risk involved.

(2) For the purpose of determining the most practical plan, terms, and conditions of insurance with respect to corn, dry beans, oats, barley, rye, tobacco, rice, peanuts, soybeans, sugar beets, sugarcane, timber and forests, potatoes and other vegetables, citrus and other fruits, tame hay, and any other agricultural commodity, if sufficient actuarial data are available, as determined by the Board, to insure upon such terms and conditions not inconsistent with the provisions of this title as it may determine, producers of such agricultural commodities against loss due to the unavoidable causes covered in paragraph (1) of this subsection: Provided, That such insurance shall be limited in 1945 to corn and tobacco and to not more than three additional crops for each year thereafter. Insurance provided for any agricultural commodity under this paragraph shall be subject to the limitations and conditions provided in paragraph (1) of this subsection, shall be for a period of not more than three years, and shall be limited to producers in not to exceed twenty counties selected by the Board as representative of the several areas where the agricultural commodity is normally produced: Provided, however, That such insurance may cover a percentage not in excess of 75 per centum of the investment in the crop, as determined by the Board. The Corporation shall report annually to the Congress the results of its operations as to each commodity under this paragraph. (7 U.S.C. 1940 ed. 1508 (a) 52 Stat. 74, 835, 55 Stat. 257, 58 Stat. 918.)

(b) To fix adequate premiums for insurance in the agricultural commodity or in cash, at such rates as the Board deems sufficient to cover claims for crop losses on such insurance and to establish as

expeditiously as possible a reasonable reserve against unforeseen losses. Such premiums shall be collected at such time or times, or shall be secured in such manner, as the Board may determine: Provided, That, after the crop year of 1949, not more than a sum equivalent to 25 per centum of the premiums collected in the preceding year (beginning calculation of premiums collected in the crop year of 1949) shall be used for administrative expenses in any current operating year. (7 U.S.C. 1940 ed. Supp. III, 1508 (b), 52 Stat. 74, 55 Stat. 257, 58 Stat. 918.)

(c) To adjust and pay claims for losses in the agricultural commodity or in cash, under rules prescribed by the Board: Provided, however, That, after the crop year of 1949, if the total amount of accumulated claims for losses on any agricultural commodity for any year exceeds the total amount of the premiums collected less the accumulated premium reserves of the Corporation with respect to any such commodity, (which reserves, after the crop year of 1948, shall not be less than 10 per centum of the premiums collected on such commodity), such claims shall be paid on a pro rata reduced basis. The Corporation shall provide for the posting annually in each county at the county courthouse of a list of indemnities paid for losses on farms in such county. In the event that any claim for indemnity under the provisions of this title is denied by the Corporation, an action on such claim may be brought against the Corporation in the United States district court, or in any court of record of the State having general jurisdiction, sitting in the district or county in which the insured farm is located, and jurisdiction is hereby conferred upon such district courts to determine such controversies without regard to the amount in controversy: Provided, That no suit on such claim shall be allowed under this section unless the same shall have been brought within one year after the date when notice of denial of the claim is mailed to and received by the claimant. (7 U.S.C. 1940 ed. Supp. III, 1508 (c), 52 Stat. 74, 55 Stat. 257, 58 Stat. 918.)

(d) From time to time, in such manner and through such agencies as the Board may determine, to purchase, handle, store, insure, provide storage facilities for, and sell the agricultural commodity, and pay any expenses incidental thereto, it being the intent of this provision, however, that, insofar as practicable, the Corporation shall purchase the agricultural commodity only at the rate and to a total amount equal to the payment of premiums in cash by farmers or to replace promptly the agricultural commodity sold to prevent deterioration; and shall sell the agricultural commodity only to the extent necessary to cover payments of indemnities and to prevent deterioration: Provided, however, That nothing in this section shall prevent prompt off-set purchased and sales of the agricultural commodity for convenience in handling. Nothing in this section shall prevent the Corporation from accepting, for the payment of premiums, notes payable in the commodity insured, or the cash equivalent, upon such security as may be determined pursuant to subsection (b) of this section, and from purchasing the quantity of the commodity represented by any of such notes not paid at maturity. The restriction on the purchase and sale of the agricultural commodity provided in this section

shall be made a part of any crop insurance agreement made under this title. Notwithstanding any provision of this title, there shall be no limitation upon the legal or equitable remedies available to the insured to enforce against the Corporation the foregoing restriction with respect to purchases and sales of the agricultural commodity. (7 U.S.C. 1940 ed. Supp. III, 1508 (d), 52 Stat. 75, 55 Stat. 257.)

(e) In connection with insurance upon yields of cotton, to include provision for additional premium and indemnity in terms of lint cotton to cover loss of cottonseed, such additional premium and indemnity to be determined on the basis of the average relationship between returns from cottonseed and returns from lint cotton for the same period of years as that used for computing yields and premium rates. (7 U.S.C. 1940 ed. Supp. III, 1508 (e), 55 Stat. 257.)

#### Indemnities Exempt from Levy

Sec. 509. Claims for indemnities under this title shall not be liable to attachment, levy, garnishment, or any other legal process before payment to the insured or to deduction on account of the indebtedness of the insured or his estate to the United States except claims of the United States or the Corporation arising under this title. (7 U.S.C. 1940 ed. 1509, 52 Stat. 75.)

#### Deposit of Funds

Sec. 510. All money of the Corporation not otherwise employed may be deposited with the Treasurer of the United States or in any bank approved by the Secretary of the Treasury, subject to withdrawal by the Corporation at any time, or with the approval of the Secretary of the Treasury may be invested in obligations of the United States or in obligations guaranteed as to principal and interest by the United States. Subject to the approval of the Secretary of the Treasury, the Federal Reserve banks are hereby authorized and directed to act as depositories, custodians, and fiscal agents for the Corporation in the performance of its powers conferred by this title. (7 U.S.C. 1940 ed. 1510, 52 Stat. 75.)

#### Tax Exemption

Sec. 511. The Corporation, including its franchise, its capital, reserves, and surplus, and its income and property, shall be exempt from all taxation now or hereafter imposed by the United States or by any Territory, dependency, or possession thereof, or by any State, county, municipality or local taxing authority. (7 U.S.C. 1940 ed. 1511, 52 Stat. 75.)

### Fiscal Agent of Government

Sec. 512. When designated for that purpose by the Secretary of the Treasury, the Corporation shall be a depository of public money, except receipts from customs, under such regulations as may be prescribed by said Secretary; and it may also be employed as a financial agent of the Government; and it shall perform all such reasonable duties, as a depository of public money and financial agent of the Government, as may be required of it. (7 U.S.C. 1940 ed. 1512, 52 Stat. 75.)

### Accounting by Corporation

Sec. 513. The Corporation shall at all times maintain complete and accurate books of account and shall file annually with the Secretary of Agriculture a complete report as to the business of the Corporation. The financial transactions of the Corporation shall be audited at least once each year by the General Accounting Office for the sole purpose of making a report to Congress, together with such recommendations as the Comptroller General of the United States may deem advisable: Provided, That such report shall not be made until the Corporation shall have had reasonable opportunity to examine the exceptions and criticisms of the Comptroller General or the General Accounting Office, to point out errors therein, explain or answer the same, and to file a statement which shall be submitted by the Comptroller General with his report. (7 U.S.C. 1940 ed 1513, 52 Stat. 76.)
